## REVIEWING OFFICER

Mr. Jeremy Clark

Jeremy Clarke is an Assistant Superintendent in School District No. 43 (Coquiltam), where he supports schools and helps ensure students have positive, successful learning experiences. He has served the Coquiltam School district community throughout his entire career, beginning in the district in 1998, and brings many years of experience working directly with students, staff, and families.

Before becoming an Assistant Superintendent, Jeremy worked in schools as both a vice-principal and a principal. In those roles, he focused on creating safe, supportive, and inclusive environments where students could thrive academically and personally. His school-based experience allows him to understand the day-to-day realities of students and families, and to approach his current work in a practical, student-centered way.

In his district leadership role, Jeremy works closely with school administrators to support strong school operations, student programs, and overall student well-being. He is committed to ensuring that all students feel a sense of belonging and are provided with the opportunities they need to succeed. His work emphasizes clear communication, collaboration, and responsiveness to the needs of families and the broader community.

Jeremy values the important role that organizations like the Air Cadets play in developing leadership, responsibility, and citizenship in young people. He believes strongly in partnerships between schools, families, and community programs that help students grow into confident, capable, and caring individuals.

## AIR CADET LEAGUE REPRESENTATIVE

Ms. Carol Lee

Carol Lee was born and raised in Surrey, BC. Her post secondary education involved science studies at Kwantlen College, Surrey, followed by graduation from the Dental Hygiene Diploma Program at the University of Alberta in 1987. Carol has worked as a Dental Hygienist in General Practice Dentistry ever since.

Carol's journey with the Air Cadet Program started in 2005 when her oldest son, at 12 years old, joined 754 Phoenix Squadron in Port Moody. Wanting to support her son and the squadron, Carol volunteered in small ways whenever she could. As her two younger children eventually joined air cadets, Carol became more involved with 754 Phoenix Squadron Sponsoring Committee (SSC), serving on the board of directors for eight years from 2011 to 2019. During her time on the board, she served as secretary for two years and chairperson for four years.

As well, Carol was involved in the joint effort between 754 Phoenix RCACS and SSC in the formation of 808 Coquitlam Squadron (chartered in 2016), the newest air cadet squadron in the growing Tri-Cities region. She received a Certificate of Merit from the Air Cadet League of Canada, British Columbia Provincial Committee (ACLC, BCPC) in acknowledgement of her contributions to this endeavour.

In April 2020, Carol's youngest child aged out of the air cadet program. Witnessing the value of the Cadet Program to her three children and youth across Canada, and desiring to continue her support of the Air Cadet Program in BC, Carol joined the ACLC, BCPC in May 2020. Carol currently serves on the BCPC Training and Education Committee and supports 754 Phoenix SSC and 808 Coquitlam SSC as a league representative.

Here, he served in the training team and as Public Affairs Officer and the Range team officer. Capt Tam then transferred to 808 Coquitlam RCACS, and throughout the years has assumed the roles of Administration Officer, Training Officer, First Aid team officer, and Effective Speaking team officer. In 2025, he assumed his first command and was appointed the 5th Commanding Officer of 808 RCACS.

## SQUADRON SPONSORING COMMITTEE CHAIR

Mr. Valentino Tjia

Valentino Tjia was born and raised in Indonesia. He moved to United States following his high school graduation and received his post-secondary education in civil engineering from University of Wisconsin-Madison in 1998 and master's degree from San Jose State University in California in 2003 while working in Oakland, California. Valentino moved to Canada in 2007 and currently works at an engineering consulting firm as Senior Project Manager.

Valentino's involvement with the 808 Squadron Sponsoring Committee started in 2020 during the COVID era. Motivated by a desire to support the squadron, he began volunteering as Vice Chair and has served as Chair since 2024. This year will mark his final term as Chair, as he prepares to step down to support a smooth leadership transition. Valentino's eldest son participated in the cadet program until 2024 before continuing his post-secondary education at the Royal Military College. His daughter is currently enrolled in the program.

Beyond his involvement with the cadet program, Valentino is an active volunteer in his local school community. He has supported his daughter's school by participating in career fairs, serving as a panelist for the Grade 12 Capstone program, and offering co-op placements to Science Co-Op 11 students with an interest in engineering-related fields.

Valentino and his family live in Port Moody. In his spare time, he enjoys going to the gym and watching sports. He is an avid fan of Formula One, soccer, and both Canadian and American football.

# SQUADRON BACKGROUND

808 Coquitlam Royal Canadian Air Cadet Squadron chartered on March 8, 2016. Prior to 808's formation, the cadet group was a part of 754 Phoenix Royal Canadian Air Cadet Squadron located in Port Moody. The squadron originally began with a modest 20 cadet core and has since grown to over 100 cadets. What originally started as a pilot project quickly expanded to becoming one of British Columbia's brightest up and coming squadrons.

The Air Cadet Program is only possible through the national partnership between the Department of National Defense and the Air Cadet League of Canada. The League provides funds for activities and aviation opportunities, which are essential elements to an exciting cadet experience. It is at the local level that Cadet Instructors Cadre Officers and Squadron Sponsoring Committee collaborate to make this dynamic youth program a reality.

# AIR CADET LEAGUE OF CANADA

## PROVINCIAL COMMITTEE HISTORY

The Air Cadet program operates within a partnership agreement between the Department of National Defense (DND) and The Air Cadet League of Canada (ACLC), a civilian volunteer organization. The British Columbia Provincial Committee (BCPC) of the ACLC is administered by a 10-member Board of Directors. The Directors are elected by the members of BCPC at the Annual General Meeting. BCPC's office is located at Boundary Bay Airport, Delta, and its day-to-day operations are administered by a full time Executive Director, and a part time Office Administration Clerk.

There are currently 57 Squadrons in BC, geographically grouped into 9 Wings supported by Wing Chairs.

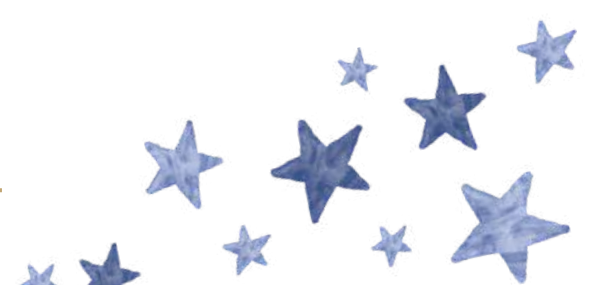

# AIR CADET LEAGUE OF CANADA

## PROVINCIAL COMMITTEE HISTORY - CONTINUED

**The main areas of responsibility for the BCPC include:**

- The formation of new squadrons.
  - Providing training and support for Squadron Sponsoring Committees.
  - Publicising and promoting cadet activities and programs.
  - Maintaining our fleet of 6 tow planes and 12 gliders.
  - Administering the Effective Speaking Program in BC.
  - Supporting the Air Cadet Foundation of British Columbia, a charitable society established to maintain and grow the Air Cadet Program in British Columbia.
- 

# COOPERATIVE ROLE BETWEEN THE MILITARY AND CIVILIAN LEAGUE

The Air Cadet League of Canada (ACL) and the Department of National Defense (DND) both support the Royal Canadian Air Cadets, a premier and beneficial youth organization. The Air Cadet program is a comprehensive program, which is run in a very organized, disciplined, and safe manner. Saying that, it is important to ensure that all volunteers are appropriately selected, well-intended, initially supervised, offer skills that add value and complement the program, and are good role models for Air Cadets. Knowing the skills and talents of each and every volunteer and their intention towards the program is very important to the Squadron Officers, staff and Sponsoring Committee, as a good team effort produces the best results for the greater benefit of the Air Cadet Movement, or more generally, the cadet movement as a whole.

# COOPERATIVE ROLE BETWEEN THE MILITARY AND CIVILIAN LEAGUE

## CONTINUED

The Air Cadet League's responsibilities for Civilian Instructors (CI) and Volunteers complement those of the DND and are more of a supporting nature. The Commanding Officer of the squadron and his or her supporting staff have command and control of the Cadets and are responsible for overall supervision of the training program that is conducted. To fulfill its responsibilities to the cadets, DND is required to conform to rulings by the Supreme Court of Canada that defined the level of care required by an organization in protecting youth under its direction. In fact, the level of care has been defined in a way that would be similar to a parent protecting their child. Saying that, it is also reasonable that our registration and screening protocols for Civilian Instructors and Volunteers meet the same standard of that of the Canadian Forces, both Regular and Reserve, as well as contracted Civilian Instructors.

# CADET INSTRUCTORS CADRE : A HISTORY

The Canadian Forces Reserve Cadet Instructor Cadre celebrated 100 years of service to Canada in 2009. There are about 7,500 officers that represent the Canadian Forces from coast to coast to coast in large cities and hamlets in all regions of the country. The Cadet Organizations, Royal Canadian Sea, Army and Air Cadets are part of the Nation's fabric because of the dedication and service of thousands of adults who lead and mentor the teenagers of their community.

The first cadet instructors were assigned in 1879 by the Department of Militia to support Associations or Companies for Drill in High Schools, Normal Schools, Colleges and Universities. Authority for Cadet Instructors to hold rank in the Militia was promulgated 1903 appointing individuals for only as long as they remained active. Subsequently, on May 1, 1909, the "Corps of School Cadet Instructors (Militia) was authorized. The Corps was composed of qualified male schoolteachers. On January 1, 1924, the designation was changed to "The Cadet Services of Canada."

# CADET INSTRUCTORS CADRE : A HISTORY

## CONTINUED

Prior to 1940, the first Air Cadet Squadrons were in fact Army Cadet Corps that were affiliated with Royal Canadian Air Force, Air Reserve Squadrons whose officers provided leadership with League appointed Civilian Instructors. On November 11, 1940, an Order-in-Council established the Air Cadet League of Canada to work in partnership with the RCAF to support the Air Cadet Organization. The Cadet Instructor Cadre Branch is the result of the unification of the Canadian Forces in 1968 and the subsequent consolidation of cadet instructors to the Cadet Instructors List. The Cadet Instructors List was renamed the Cadet Instructor Cadre July 21, 1994.

The Cadet Instructor Cadre is provided by the largest officer occupation in the CF. Canadian Forces Officers whose mission is “To instil in youth the attributes of good citizenship, and leadership, promote physical fitness and stimulate an interest in the sea, land, and air activities of the Canadian Forces.

# CADET INSTRUCTOR CADRE : PRESENT DAY

The Cadet Instructor Cadre (CIC) consists of specially trained part-time members of the Canadian Armed Forces Reserves. CIC Officers are responsible for cadet training, supervision, and administration, and as such are important figures in the life of a cadet. They are driven by a strong desire to see cadets grow into responsible adults by providing credible role models for youth looking for a sense of direction and belonging. Many CIC Officers were once cadets themselves although this is not a prerequisite. The CIC is one of the most diversified and active components of the Canadian Forces Reserves, drawing on the vast and varied experience of personnel in local communities who wish to contribute to the Cadet programme.
