CHAIRPERSON'S MESSAGE

Welcome and thank you for attending our Squadron's 7th Annual Ceremonial Review. I would like to take this opportunity to thank all cadets, officers and sponsors who have supported us though this year.

808 Coquitlam Squadron has demonstrated outstanding dedication, innovation, and commitment to the Cadet movement. In keeping with our tradition of excellence, our squadron has not only adapted to a new normal, but also produced remarkable results. Officers and Cadets brought creative ideas and methods to deliver both routine training, extracurricular programs and activities. During the past three years' pandemic, the whole squadron chose to "dance in the rain". When the situation was getting better, officers and NCOs worked hard to make detailed and practical training plans to deploy the strategy of "Crawl, Walk, Run", developed more interesting extracurricular programs and activities, and strived to make cadets program more engaging. Thank-you for your great work and perseverance!

CHAIRPERSON'S MESSAGE

CONTINUED

We are fortunate to have such an enthusiastic, hardworking, capable, and talented group of eight parent volunteers who make up the board team of the Squadron Sponsoring Committee. SSC members strived to explore more resources and options, get more funding for our programs, and we came together to ensure our unwavering support of the Officers, Staff and, most importantly, the Cadets of 808 Coquitlam Squadron. Volunteers, I wish to thank you for your great efforts and devotion! I also, appreciate the great support and guidance from Metro Vancouver Wing Chair Bryan Lepke and League Representative Carol Lee.

All 808 squadron officers, staffs, cadets, SSC members and parents, I am proud of you! Your attitude, passion, hard work and collaboration made our squadron amazing. During the past seven years, we experienced many ups and downs, had many happy or emotional moments, I believe the experiences and challenges we had gone through and will go through are treasures for our future life, which make us stronger and stronger. I am very proud of being a member in such an amazing squadron!

SQUADRON SPONSORING COMMITTEE

CHAIRPERSON'S MESSAGE CONTINUED

Today's Annual Ceremonial Review is the culmination of many months of hard work. All the dedication and work of these fine Officers and Cadets are clearly on display today. These exceptional cadets are preparing a foundation of excellence for their future.

All 808 squadron cadets, there are many interesting summer training programs waiting for you. I wish you a wonderful summer vacation and see you in September.

Maggie Zhang, Chair
808 Coquitlam Squadron Sponsoring
Committee

LEAGUE INSPECTOR

Carol Lee

Carol Lee was born and raised in Surrey, BC. Her post secondary education involved two years of fulltime science studies in the University Transfer Program Program at Kwantlen College,

followed by graduation from the two-year Dental Hygiene Diploma Program at the University of Alberta in 1987.

Carol has worked as a Dental Hygienist in General Practice Dentistry ever since.

Carol's journey with the Air Cadet Program started in 2005 when her oldest son, at 12 years old, joined 754 Phoenix Squadron in Port Moody. Wanting to support her son and the squadron, Carol volunteered in small ways whenever she could. As her two younger children eventually joined air cadets, Carol became more involved with 754 Phoenix Squadron Sponsoring Committee (SSC), serving on the board of directors for eight years from 2011 to 2019. During her time on the board, she served as secretary for two years and chairperson for four years.

As well, Carol was involved in the joint effort between 754 Phoenix RCACS and SSC in the formation of 808 Coquitlam Squadron (chartered in 2016), the newest air cadet squadron in the growing Tri-Cities region. She received a Certificate of Merit from the Air Cadet League of Canada, British Columbia Provincial Committee (ACLC, BCPC) in acknowledgment of her contributions to this endeavour.

SQUADRON BACKGROUND

808 Coquitlam Royal Canadian Air Cadet Squadron chartered on March 8, 2016. Prior to 808's formation, the cadet group was a part of 754 Phoenix Royal Canadian Air Cadet Squadron located in Port Moody. The squadron originally began with a modest 20 cadet core and has since grown to over 100 cadets. What originally started as a pilot project quickly expanded to becoming one of British Columbia's brightest up and coming squadrons.

The Air Cadet Program is only possible through the national partnership between the Department of National Defense and the Air Cadet League of Canada. The League provides funds for activities and aviation opportunities, which are essential elements to an exciting cadet experience. It is at the local level that Cadet Instructors Cadre Officers and Squadron Sponsoring Committee collaborate to make this dynamic youth program a reality.

AIR CADET LEAGUE OF CANADA

The Air Cadet program operates within a partnership agreement between the Department of National Defense and The Air Cadet League of Canada, a civilian volunteer organization. The British Columbia Provincial Committee of the League is administered by a five-person Executive committee under the direction of a ten-member Board of Directors. The Directors are elected by the members of Provincial Committee at the Annual General Meeting. The Provincial Committee's office is located at Boundary Bay Airport, Delta, BC, and its day-to-day operations are administered by a full time Chief Administrative Officer and a part time Office Assistant.

There are currently 58 Squadrons in BC, geographically grouped into eight Wings, each with a Wing Chair.

AIR CADET LEAGUE OF CANADA

PROVINCIAL COMMITTEE HISTORY

The main areas of responsibility for the British Columbia Provincial Committee include:

- The formation of new squadrons
- Providing training and support for Squadron Sponsoring Committees Assisting with the recruitment of officers and cadets into the program Publicising and promoting cadet activities and programs.
- Maintaining our fleet of 6 tow planes and twelve gliders. For the past several years, our glider flying program has received generous financial assistance from the British Columbia Gaming Commission by way of its "Direct Access Grant Program".
- Administering the Effective Speaking Program in BC, (also funded through the Direct Access Grant program).
- Processing applications for National Scholarship Courses
- Sponsoring Work Experience programs with industry partners to provide opportunities for Cadets to earn Graduation Transition Credits
- Administering the Air Cadet Foundation of British Columbia, a charitable society established to maintain and grow the Air Cadet Program in British Columbia.

COOPERATIVE ROLE BETWEEN THE MILITARY AND CIVILIAN LEAGUE

The Air Cadet League of Canada (ACL) and the Department of National Defense (DND) both support the Royal Canadian Air Cadets, a premier and beneficial youth organization. The Air Cadet program is a comprehensive program, which is run in a very organized, disciplined, and safe manner. Saying that, it is important to ensure that all volunteers are appropriately selected, well-intended, initially supervised, offer skills that add value and complement the program, and are good role models for Air Cadets. Knowing the skills and talents of each and every volunteer and their intention towards the program is very important to the Squadron Officers, staff and Sponsoring Committee, as a good team effort produces the best results for the greater benefit of the Air Cadet Movement, or more generally, the cadet movement as a whole.

COOPERATIVE ROLE BETWEEN THE MILITARY AND CIVILIAN LEAGUE

CONTINUED

The Air Cadet League's responsibilities for Civilian Instructors (CI) and Volunteers complement those of the DND and are more of a supporting nature. The Commanding Officer of the squadron and his or her supporting staff have command and control of the Cadets and are responsible for overall supervision of the training program that is conducted. To fulfill its responsibilities to the cadets, DND is required to conform to rulings by the Supreme Court of Canada that defined the level of care required by an organization in protecting youth under its direction. In fact, the level of care has been defined in a way that would be similar to a parent protecting their child. Saying that, it is also reasonable that our registration and screening protocols for Civilian Instructors and Volunteers meet the same standard of that of the Canadian Forces, both Regular and Reserve, as well as contracted Civilian Instructors.

CADET INSTRUCTORS CADRE: A HISTORY

The Canadian Forces Reserve Cadet Instructors Cadre celebrated 100 years of service to Canada in 2009. There are about 7,500 officers that represent the Canadian Forces from coast to coast to coast in large cities and hamlets in all regions of the country. The Cadet Organizations, Royal Canadian Sea, Army and Air Cadets are part of the Nation's fabric because of the dedication and service of thousands of adults who lead and mentor the teenagers of their community.

The first cadet instructors were assigned in 1879 by the Department of Militia to support Associations or Companies for Drill in High Schools, Normal Schools, Colleges and Universities. Authority for Cadet Instructors to hold rank in the Militia was promulgated 1903 appointing individuals for only as long as they remained active. Subsequently, on May 1, 1909, the "Corps of School Cadet Instructors (Militia) was authorized. The Corps was composed of qualified male schoolteachers. On January 1, 1924, the designation was changed to "The Cadet Services of Canada."

CADET INSTRUCTORS CADRE: A HISTORY

CONTINUED

Prior to 1940, the first Air Cadet Squadrons were in fact Army Cadet Corps that were affiliated with Royal Canadian Air Force, Air Reserve Squadrons whose officers provided leadership with League appointed Civilian Instructors. On November 11, 1940, an Order-in-Council established the Air Cadet League of Canada to work in partnership with the RCAF to support the Air Cadet Organization. The Cadet Instructors Cadre Branch is the result of the unification of the Canadian Forces in 1968 and the subsequent consolidation of cadet instructors to the Cadet Instructors List. The Cadet Instructors List was renamed the Cadet Instructors Cadre July 21, 1994.

The Cadet Instructor Cadre is provided by the largest officer occupation in the CF. Canadian Forces Officers whose mission is “To instil in youth the attributes of good citizenship, and leadership, promote physical fitness and stimulate an interest in the sea, land, and air activities of the Canadian Forces.

CADET INSTRUCTORS CADRE: PRESENT DAY

The Cadet Instructors Cadre (CIC) consists of specially trained part-time members of the Canadian Armed Forces Reserves. CIC Officers are responsible for cadet training, supervision, and administration, and as such are important figures in the life of a cadet. They are driven by a strong desire to see cadets grow into responsible adults by providing credible role models for youth looking for a sense of direction and belonging. Many CIC Officers were once cadets themselves although this is not a prerequisite. The CIC is one of the most diversified and active components of the Canadian Forces Reserves, drawing on the vast and varied experience of personnel in local communities who wish to contribute to the Cadet programme.
